

Learn how to efficiently create new product listings, process inbound shipments, and perform stock transfers between warehouses. This guide also covers essential inventory adjustments and reporting tasks to help you maintain accurate stock records.

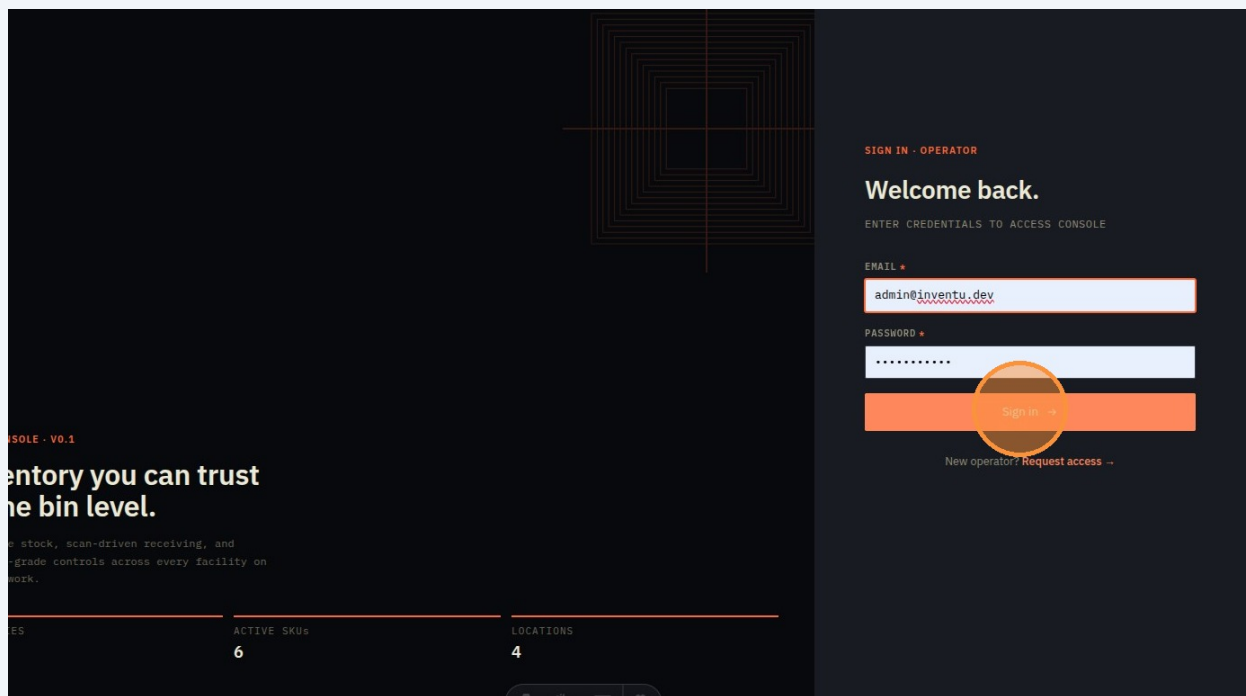

1 Navigate to the login page

2 Click the email field. and input your credentials

3 Click "Sign in"

Creating a product

4 Click "Products"

The screenshot shows the InvenTU Dashboard. The sidebar on the left has a menu with 'Dashboard', 'Products', 'Categories', 'Warehouses', 'Stock Ops', 'Suppliers', 'Purchase Orders', 'Reports', 'Users', 'Audit Log', and 'Profile'. The 'Products' item is highlighted with an orange circle. The main content area is titled 'Dashboard' and 'WAREHOUSE HEALTH AT A GLANCE'. It contains several summary cards: 'ACTIVE SKUS' (6), 'STOCK LOCATIONS' (4), 'STOCK VALUE' (\$65.3K), 'BELOW REORDER POINT' (2), 'UNRESOLVED ALERTS' (3), and 'OPEN ORDERS' (1). Below these is an 'ALERTS' section with a table of alerts and a 'STOCK BY CATEGORY' section with a bar chart.

Category	Units On Hand
Storage & Organisation	180
Phones	125
Paper & Stationery	75
Laptops	24

5 Click "New product"

The screenshot shows the InvenTU Products page. The sidebar on the left has a menu with 'Dashboard', 'Products', 'Categories', 'Warehouses', 'Stock Ops', 'Suppliers', 'Purchase Orders', 'Reports', 'Users', 'Audit Log', and 'Profile'. The 'Products' item is highlighted with an orange circle. The main content area is titled 'Products' and 'Browse the catalogue, filter by status, and open a product to see stock-on-hand and act on it.' It contains a search bar, a filter dropdown, and a table of products. A 'New product' button is highlighted with an orange circle.

SKU	NAME	CATEGORY	UNIT PRICE	STOCK STATUS
PHN-001	Smartphone X12 5901234123457	Electronics / Phones	\$499.99	IN STOCK
PHN-002	Smartphone X13 Pro 5901234123464	Electronics / Phones	\$799.99	IN STOCK
LPT-001	Laptop UltraBook 14 5901234123471	Electronics / Laptops	\$1,099.99	IN STOCK
LPT-002	Laptop WorkStation 15 5901234123488	Electronics / Laptops	\$1,799.99	LOW STOCK
OFF-001	A4 Paper Ream 500 5901234123495	Office Supplies / Paper & Stationery	\$4.99	IN STOCK
OFF-002	Lever Arch File A4 5901234123501	Office Supplies / Storage & Organisation	\$2.49	IN STOCK

6 Click the SKU field and put an SKU

The screenshot shows the 'New product' form in the InvenTU application. The left sidebar contains navigation links for 'OPERATE' (Dashboard, Products, Categories, Warehouses, Stock Ops), 'PROCURE' (Suppliers, Purchase Orders), 'ANALYZE' (Reports), and 'ADMIN' (Users, Audit Log, Profile). The main content area is titled 'New product' with the subtitle 'Create a product record.' The form fields are arranged in a grid. The 'SKU' field, located at the top left of the form, contains the text 'ACME-001' and is highlighted with a red circle. Other fields include 'NAME' (Stainless bolt 50mm), 'CATEGORY' (a dropdown menu), 'PRIMARY WAREHOUSE' (a dropdown menu with 'None' selected), 'UNIT PRICE' (0), 'COST PRICE' (0), 'MIN STOCK' (0), 'MAX STOCK' (empty), 'REORDER POINT' (0), 'BARCODE' (empty), 'UNIT OF MEASURE' (each), and 'DESCRIPTION' (empty).

7 Click the Name field and type a name

The screenshot shows the 'New product' form in the InvenTU application, similar to the previous one. The 'SKU' field now contains 'UJS-01' and has a small green checkmark and the word 'Available' next to it. The 'NAME' field, located below the SKU field, contains the text 'Stainless bolt 50mm' and is highlighted with a red circle. All other fields remain the same as in the previous screenshot.

8 Click "Select category..."

The screenshot shows the 'New product' form in a dark-themed application. The left sidebar contains navigation links for 'OPERATE' (Dashboard, Products, Categories, Warehouses, Stock Ops), 'PROCURE' (Suppliers, Purchase Orders), 'ANALYZE' (Reports), and 'ADMIN' (Users, Audit Log, Profile). The main content area is titled 'New product' with the subtitle 'Create a product record.' The form fields include: 'SKU' (UJS-01), 'NAME' (Test), 'CATEGORY' (a dropdown menu with 'Select category...' text, highlighted by an orange circle), 'PRIMARY WAREHOUSE' (None), 'UNIT PRICE' (0), 'COST PRICE' (0), 'MIN STOCK' (0), 'MAX STOCK' (empty), 'REORDER POINT' (0), 'BARCODE' (empty), 'UNIT OF MEASURE' (each), and 'DESCRIPTION' (empty). The bottom left corner shows a status indicator 'OPERATIONAL'.

9 Select one of the categories or subcategories

The screenshot shows the 'New product' form with the 'CATEGORY' dropdown menu open. The dropdown list displays several categories and subcategories: 'Electronics' (Electronic devices and accessories), 'Electronics / Phones' (Smartphones and mobile accessories, highlighted by an orange circle), 'Electronics / Laptops' (Laptops and portable computers), 'Office Supplies' (Stationery, storage and workplace essentials), 'Office Supplies / Paper & Stationery' (Paper products, pens and writing materials), and 'Office Supplies / Storage & Organisation'. The rest of the form fields are the same as in the previous screenshot. The bottom left corner shows a status indicator 'OPERATIONAL' and a user profile 'Dev Admin'.

10 Select and choose a primary Warehouse (optional)

The screenshot shows the 'New product' form in a dark-themed application. The form is titled 'New product' with a subtitle 'Create a product record.' and a 'Cancel' button in the top right. The form fields are as follows:

- SKU**: A text input field containing 'UJS-01'.
- NAME**: A text input field containing 'Test'.
- CATEGORY**: A dropdown menu showing 'Electronics'.
- PRIMARY WAREHOUSE**: A dropdown menu showing 'Main Warehouse', which is highlighted with an orange circle.
- UNIT PRICE**: A text input field containing '0'.
- COST PRICE**: A text input field containing '0'.
- MIN STOCK**: A text input field containing '0'.
- MAX STOCK**: A text input field containing '0'.
- REORDER POINT**: A text input field containing '0'.
- BARCODE**: A text input field.
- UNIT OF MEASURE**: A dropdown menu showing 'each'.
- DESCRIPTION**: A text area.

11 Add a Unit Price. (Cost price is optional)

The screenshot shows the 'New product' form in a dark-themed application. The form is titled 'New product' with a subtitle 'Create a product record.' and a 'Cancel' button in the top right. The form fields are as follows:

- SKU**: A text input field containing 'UJS-01'.
- NAME**: A text input field containing 'Test'.
- CATEGORY**: A dropdown menu showing 'Electronics'.
- PRIMARY WAREHOUSE**: A dropdown menu showing 'Main Warehouse'.
- UNIT PRICE**: A text input field containing '19.99', which is highlighted with an orange circle.
- COST PRICE**: A text input field containing '0'.
- MIN STOCK**: A text input field containing '0'.
- MAX STOCK**: A text input field containing '0'.
- REORDER POINT**: A text input field containing '0'.
- BARCODE**: A text input field.
- UNIT OF MEASURE**: A dropdown menu showing 'each'.
- DESCRIPTION**: A text area.

12 Input Min/Max and Request stock points

The screenshot shows the 'New product' form in a dark-themed application. The left sidebar contains navigation links: Dashboard, Products, Categories, Warehouses, Stock Ops, PROCURE (Suppliers, Purchase Orders), ANALYZE (Reports), and ADMIN (Users, Audit Log, Profile). The form fields are: SKU (UJS-01), NAME (Test), CATEGORY (Electronics), PRIMARY WAREHOUSE (Main Warehouse), UNIT PRICE (19.99), COST PRICE (0), MIN STOCK (5), MAX STOCK (empty), REORDER POINT (0), BARCODE (empty), UNIT OF MEASURE (each), and DESCRIPTION (empty). The 'MIN STOCK' field is highlighted with an orange rectangle, and the 'MAX STOCK' label is circled in orange. At the bottom left, there is a status section with 'OPERATIONAL' and 'Dev Admin'.

13 Afterwards to create a product click "Create product" (Description and barcode are optional)

This screenshot shows the same 'New product' form, but with the 'REORDER POINT' field (value 8) highlighted with an orange rectangle. The 'MAX STOCK' field now contains the value '10'. At the bottom right, the 'Create product' button is circled in orange. The 'Active' checkbox is checked. The sidebar and other form fields remain the same as in the previous screenshot.

Stock Ops Flow

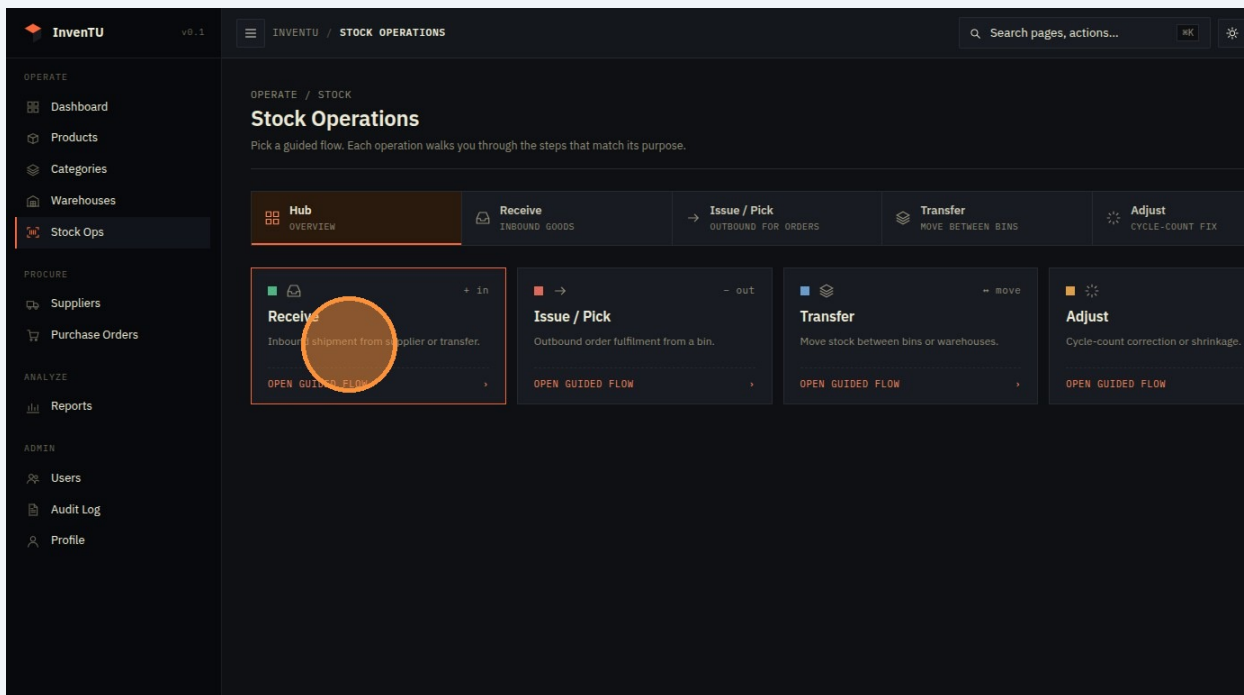

17 Click "Stock Ops"

The screenshot shows the InvenTU interface. The left sidebar has a menu with items: Dashboard, Products, Categories, Warehouses, Stock Ops (circled in orange), Suppliers, Purchase Orders, Reports, Users, Audit Log, and Profile. The main content area is titled 'Products' and shows a table of products with columns: SKU, NAME, CATEGORY, UNIT PRICE, and STOCK STATUS. The table lists several products, including Smartphones and Laptops. The 'Stock Ops' menu item is highlighted with an orange circle.

SKU	NAME	CATEGORY	UNIT PRICE	STOCK STATUS
PHN-001	Smartphone X12 5901234123457	Electronics / Phones	\$499.99	IN STOCK

18 Click "Inbound shipment from supplier or transfer."

The screenshot shows the InvenTU Stock Operations page. The left sidebar has a menu with items: Dashboard, Products, Categories, Warehouses, Stock Ops (highlighted in orange), Suppliers, Purchase Orders, Reports, Users, Audit Log, and Profile. The main content area is titled 'Stock Operations' and shows a grid of buttons for different stock operations: Hub, Receive, Issue / Pick, Transfer, and Adjust. The 'Receive' button is circled in orange.

Hub	Receive	Issue / Pick	Transfer	Adjust
OVERVIEW	INBOUND GOODS	OUTBOUND FOR ORDERS	MOVE BETWEEN BINS	CYCLE-COUNT FIX
Receive Inbound shipment from supplier or transfer. OPEN GUIDED FLOW	Issue / Pick Outbound order fulfillment from a bin. OPEN GUIDED FLOW	Transfer Move stock between bins or warehouses. OPEN GUIDED FLOW	Adjust Cycle-count correction or shrinkage. OPEN GUIDED FLOW	

19 Select a product.

The screenshot shows the 'Receive stock' form in a warehouse management system. The left sidebar contains navigation links: Dashboard, Products, Categories, Warehouses, Stock Ops, PROCURE (Suppliers, Purchase Orders), ANALYZE (Reports), and ADMIN (Users, Audit Log, Profile). The top navigation bar includes Hub Overview, Receive (selected), Issue / Pick, Transfer, and Adjust. The main form is titled 'Receive stock' and includes a sub-header 'Record inbound goods from a purchase order or direct delivery.' Below this is a table with columns: 01 Source, 02 Location, 03 Item, 04 Quantity, and 05. The '01 Source & Item' section is active, showing a 'REFERENCE NUMBER (OPTIONAL)' field with 'e.g. PO-2026-001', a 'PRODUCT' search field with 'Smartphone X11 - PHN-001' selected, and a 'QUANTITY RECEIVED' section with buttons for -10, -1, 0, +1, and +10. The '02 Put-away location' section is also visible, with fields for 'DESTINATION', 'WAREHOUSE', and 'LOCATION'. The bottom of the form shows an 'INBOUND TRUCK' section with 'no reference yet' and a 'PKG' field.

20 Input a count

The screenshot shows the 'Receive stock' form with the 'QUANTITY RECEIVED' section highlighted. The 'Smartphone X12 - PHN-001' is selected in the 'PRODUCT' field. The 'QUANTITY RECEIVED' section shows buttons for -10, -1, 0, +1, and +10. The '+1' button is circled in orange, indicating it is the selected quantity. The '02 Put-away location' section is also visible, with fields for 'DESTINATION', 'WAREHOUSE', and 'LOCATION'. The bottom of the form shows an 'INBOUND TRUCK' section with 'no reference yet' and a 'PKG' field.

25 Select the wanted Warehouse.

The screenshot shows the 'Issue / pick stock' form in a dark-themed application. The left sidebar contains navigation links for Dashboard, Products, Categories, Warehouses, Stock Ops, Procure, Suppliers, Purchase Orders, Analyze, Reports, Admin, Users, Audit Log, and Profile. The main content area has a top navigation bar with 'Hub OVERVIEW', 'Receive INBOUND GOODS', 'Issue / Pick OUTBOUND FOR ORDERS' (highlighted), 'Transfer MOVE BETWEEN BINS', and 'Adjust CYCLE-COUNT FIX'. Below this, the 'Issue / pick stock' section is titled 'OPERATE / STOCK / ISSUE' with a subtitle 'Remove stock from a location for an order, transfer, or other use.' The form is divided into two main sections: '01 Source' and '02 Item, quantity & reason'. The '01 Source' section is titled 'WHERE THE STOCK IS BEING PICKED FROM' and contains a 'FROM' section with 'WAREHOUSE' and 'LOCATION' fields. The 'WAREHOUSE' field is highlighted with an orange circle and contains the text 'Main Warehouse (MAIN)'. The 'LOCATION' field is empty and has a red error message 'Location is required.' below it. The '02 Item, quantity & reason' section is titled 'WHAT IS BEING ISSUED AND WHY' and contains fields for 'PRODUCT', 'QUANTITY TO ISSUE', 'REASON', and 'NOTES (OPTIONAL)'. The 'QUANTITY TO ISSUE' field has a value of '0' and a '+1' button. The 'REASON' field contains the text 'e.g. Order #12345, Damaged goods, Sample'. The 'NOTES (OPTIONAL)' field is empty. At the bottom of the form, there is a 'SOURCE' section with the text '- pick a location -' and an 'OUTBOUND' section with the text 'no reason yet'.

26 Select the wanted Location.

The screenshot shows the 'Issue / pick stock' form in a dark-themed application, similar to the previous one. The left sidebar and top navigation bar are the same. The '01 Source' section is titled 'WHERE THE STOCK IS BEING PICKED FROM' and contains a 'FROM' section with 'WAREHOUSE' and 'LOCATION' fields. The 'WAREHOUSE' field is highlighted with an orange circle and contains the text 'Main Warehouse (MAIN)'. The 'LOCATION' field is highlighted with an orange circle and contains the text 'MAIN-A-1-1-1'. The '02 Item, quantity & reason' section is titled 'WHAT IS BEING ISSUED AND WHY' and contains fields for 'PRODUCT', 'QUANTITY TO ISSUE', 'REASON', and 'NOTES (OPTIONAL)'. The 'QUANTITY TO ISSUE' field has a value of '0' and a '+1' button. The 'REASON' field contains the text 'e.g. Order #12345, Damaged goods, Sample'. The 'NOTES (OPTIONAL)' field is empty. At the bottom of the form, there is a 'SOURCE' section with the text 'MAIN-A-1-1-1' and an 'OUTBOUND' section with the text 'no reason yet'.

27 Select a product.

The screenshot shows the 'Issue / pick stock' form in a dark theme. The top navigation bar includes 'Hub OVERVIEW', 'Receive INBOUND GOODS', 'Issue / Pick OUTBOUND FOR ORDERS' (active), 'Transfer MOVE BETWEEN BINS', and 'Adjust CYCLE-COUNT FIX'. The main header shows 'OPERATE / STOCK / ISSUE' and 'Issue / pick stock' with the subtitle 'Remove stock from a location for an order, transfer, or other use.' Below this is a progress bar with steps 01 Source, 02 Location, 03 Item, 04 Quantity, 05 Reason, and 06 Confirm. Step 02 'Item, quantity & reason' is active. It contains a 'PRODUCT' section with a search bar and a dropdown menu showing 'Smartphone X12 - PHN-001', which is highlighted with an orange circle. Below this is a 'QUANTITY TO ISSUE' section with a numeric input field set to 0 and buttons for -10, -1, +1, and +10. An 'AVAILABLE AT THIS LOCATION' section shows 0. A 'REASON' section has a text input field with 'e.g. Order #12345, Damaged goods, Sample'. A 'NOTES (OPTIONAL)' section has a text input field with 'Any additional information...'. At the bottom, there is a 'SOURCE' section with 'MAIN-A-1-1-1' and an 'OUTBOUND' section with 'no reason yet'.

28 Select an amount

The screenshot shows the same 'Issue / pick stock' form as in step 27. In this step, the 'QUANTITY TO ISSUE' section is highlighted. The numeric input field now shows '+10', which is highlighted with an orange circle. The 'AVAILABLE AT THIS LOCATION' section now shows '95'. The 'REASON' and 'NOTES (OPTIONAL)' sections remain the same. The 'SOURCE' section still shows 'MAIN-A-1-1-1' and the 'OUTBOUND' section still shows 'no reason yet'.

29 Provide a reason in the field

The screenshot shows a mobile application interface for warehouse management. It is divided into two main sections: '01 Source' and '02 Item, quantity & reason'.

01 Source (WHERE THE STOCK IS BEING PICKED FROM):

- FROM:** MAIN-A-1-1-1
- WAREHOUSE:** Main Warehouse (MAIN)
- LOCATION:** MAIN-A-1-1-1

02 Item, quantity & reason (WHAT IS BEING ISSUED AND WHY):

- PRODUCT:** Smartphone X12 -- PHN-001
- QUANTITY TO ISSUE:** -10, -1, 10, +1, +10, MAX 95
- AVAILABLE AT THIS LOCATION:** 95
- REASON:** e.g. Order #12345, Damaged goods, Sample (This field is highlighted with an orange circle in the original image)
- NOTES (OPTIONAL):** Any additional information...

Visual Summary:

A visual summary at the bottom shows the source (MAIN-A-1-1-1) with a current stock of 95 and an after stock of 85. An arrow labeled 'DEPARTS TO' points to a box labeled 'OUTBOUND' with the text 'no reason yet' and a quantity of -10, ready to depart.

YOU ARE ABOUT TO ISSUE

30 Click "Issue X" based on how much you want to deposit

The screenshot shows the same mobile application interface as in step 29, but with the 'Reason' field filled with 'Free samples' and the 'Issue 10' button highlighted with an orange circle.

01 Source (WHERE THE STOCK IS BEING PICKED FROM):

- FROM:** MAIN-A-1-1-1
- WAREHOUSE:** Main Warehouse (MAIN)
- LOCATION:** MAIN-A-1-1-1

02 Item, quantity & reason (WHAT IS BEING ISSUED AND WHY):

- PRODUCT:** Smartphone X12 -- PHN-001
- QUANTITY TO ISSUE:** -10, -1, 10, +1, +10, MAX 95
- AVAILABLE AT THIS LOCATION:** 95
- REASON:** Free samples
- NOTES (OPTIONAL):** Any additional information...

Visual Summary:

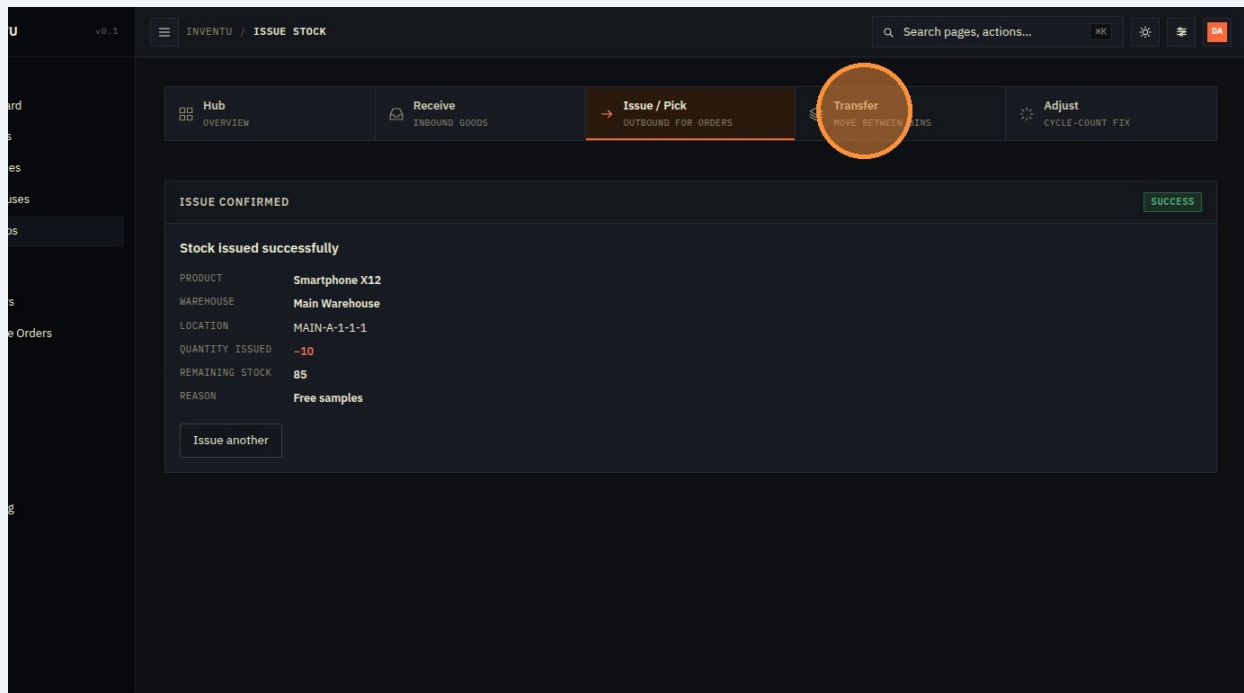

A visual summary at the bottom shows the source (MAIN-A-1-1-1) with a current stock of 95 and an after stock of 85. An arrow labeled 'DEPARTS TO' points to a box labeled 'OUTBOUND' with the text 'Free samples' and a quantity of -10, ready to depart.

- NOW: 85
- in transit: +10
- TO: - pick a destination -

37 Select the recipient Location.

The screenshot shows the 'Transfer stock' interface with the 'Destination' step highlighted. The '01 Source' section shows 'FROM MAIN-A-1-1-1' with 'WAREHOUSE: Main Warehouse (MAIN)' and 'LOCATION: MAIN-A-1-1-1'. The '02 Item & quantity' section shows 'PRODUCT: Smartphone X12 - PHN-001' and 'QUANTITY: 10' (with 'SOURCE AVAILABLE: 85'). The '03 Destination' section shows 'TO: NORTH-B-1-1-1' with 'WAREHOUSE: North Warehouse (NORTH)' and 'LOCATION: NORTH-B-1-1-1' (highlighted with an orange circle). A progress bar at the bottom shows the transfer from 'MAIN-A-1-1-1' to 'NORTH-B-1-1-1' with a quantity of '+10 in transit'.

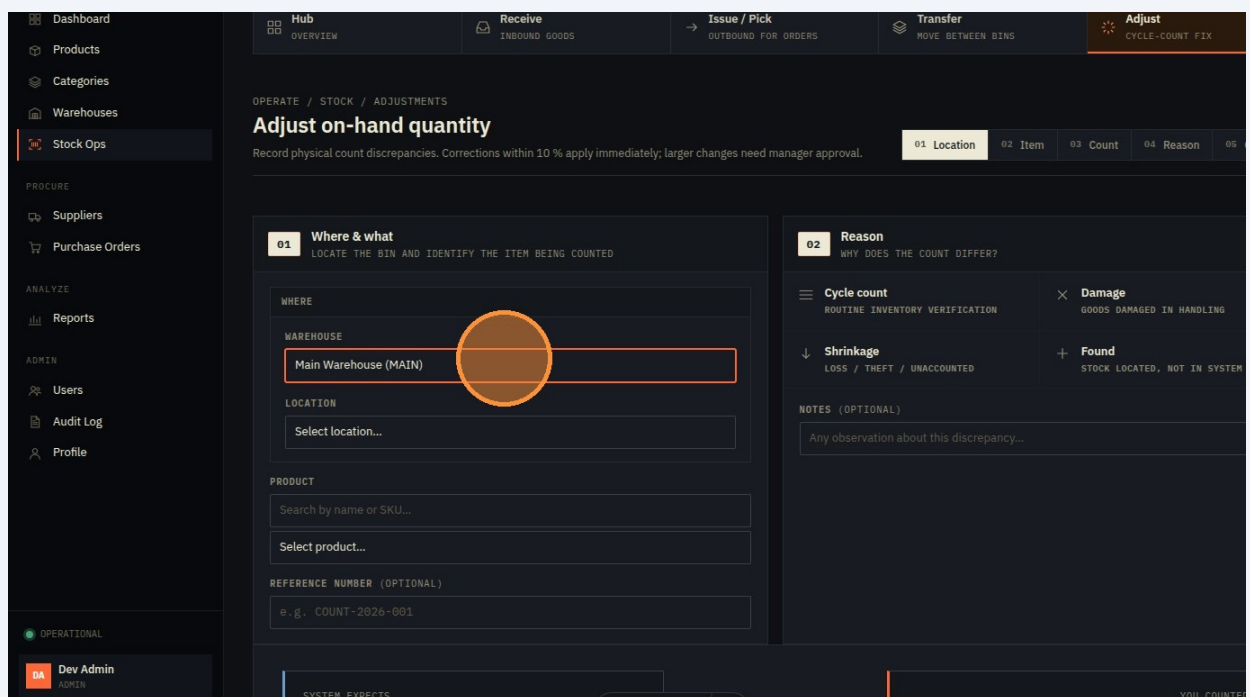

38 Select amount to transfer and click "Move"

The screenshot shows the 'Transfer stock' interface with the 'Move' button highlighted. The '01 Source' section shows 'FROM MAIN-A-1-1-1' with 'WAREHOUSE: Main Warehouse (MAIN)' and 'LOCATION: MAIN-A-1-1-1'. The '02 Item & quantity' section shows 'PRODUCT: Smartphone X12 - PHN-001' and 'QUANTITY: 10' (with 'SOURCE AVAILABLE: 85'). The '03 Destination' section shows 'TO: NORTH-B-1-1-1' with 'WAREHOUSE: North Warehouse (NORTH)' and 'LOCATION: NORTH-B-1-1-1'. A progress bar at the bottom shows the transfer from 'MAIN-A-1-1-1' to 'NORTH-B-1-1-1' with a quantity of '+10 in transit'. The 'TRANSFER SUMMARY' section shows '10 selected · MAIN-A-1-1-1 → NORTH-B-1-1-1' and a 'Move 10' button (highlighted with an orange circle).

39 Click "Adjust"

40 Select a Warehouse.

41 Select a Location

The screenshot shows the 'Adjust on-hand quantity' form in a dark-themed application. The left sidebar contains navigation links for Dashboard, Products, Categories, Warehouses, Stock Ops, Procure, Suppliers, Purchase Orders, Analyze, Reports, Admin, Users, Audit Log, and Profile. The top navigation bar includes Hub, Receive, Issue / Pick, Transfer, and Adjust. The main form area is titled 'Adjust on-hand quantity' and includes a subtitle 'Record physical count discrepancies. Corrections within 10 % apply immediately; larger changes need manager approval.' The form is divided into two main sections: '01 Where & what' and '02 Reason'. In the '01 Where & what' section, the 'LOCATION' field is highlighted with an orange circle and contains the text 'MAIN-A-1-1-1'. The '02 Reason' section includes options for 'Cycle count', 'Damage', 'Shrinkage', and 'Found', along with a 'NOTES (OPTIONAL)' field.

Dashboard

47 Click "Dashboard"

Tip! Alerts are sent out on 2 occasions - once when below min stock and once before reorder point

48 Look at the alerts.

The dashboard provides a comprehensive overview of warehouse health. It includes a sidebar with navigation options like Products, Categories, Warehouses, Stock Ops, Suppliers, Purchase Orders, Reports, Users, Audit Log, and Profile. The main content area is divided into several sections: a top summary bar, a grid of key metrics, an alerts section, a stock by category section, and a recent movements section. A red circle highlights the 'Mark all read' button in the alerts section.

49 To mark an alert as read click on the tick or "Mark all read"

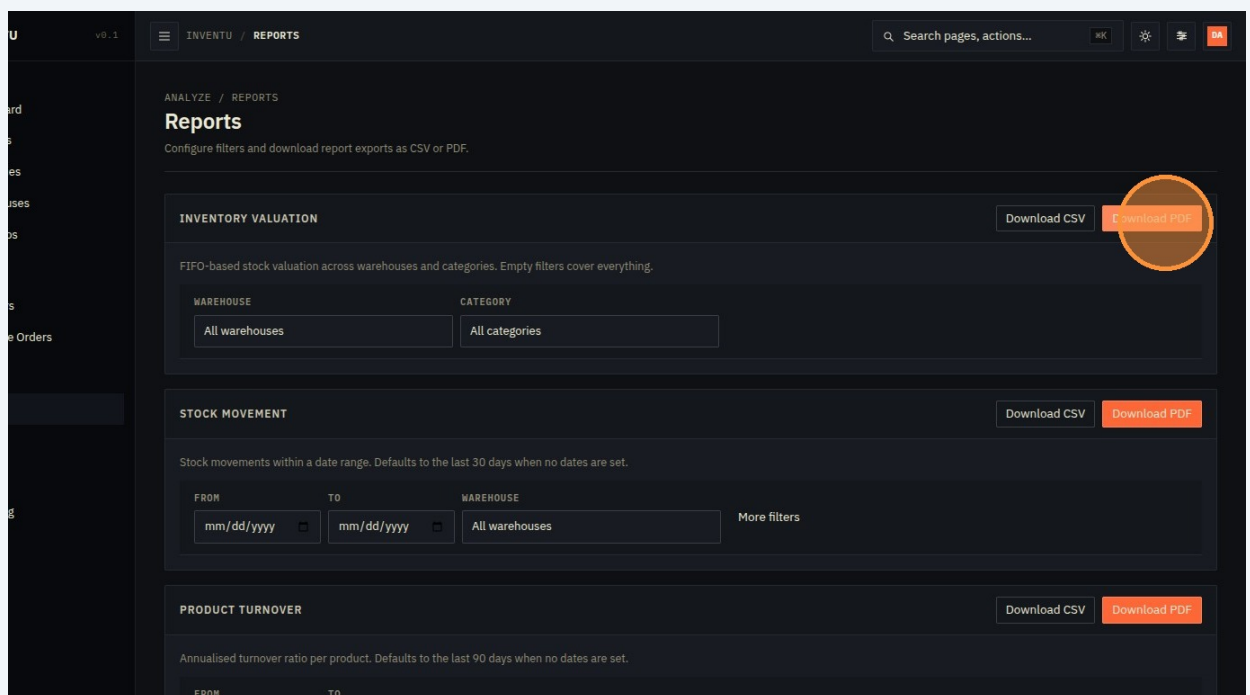

This screenshot is identical to the one above, but with a red circle highlighting the 'Mark all read' button in the alerts section, which is used to mark all alerts as read.

Reports flow

50 Click "Reports"

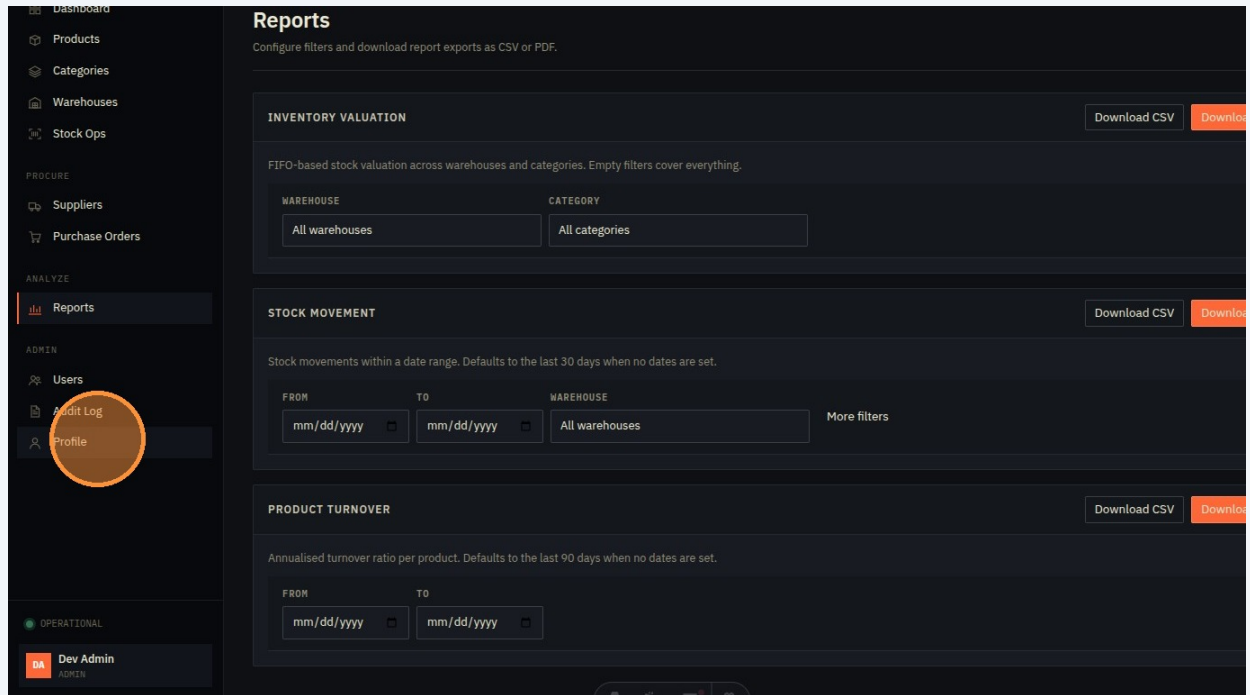

51 Input your filters and click on "Download CSV" or "Download PDF" based on your preferences

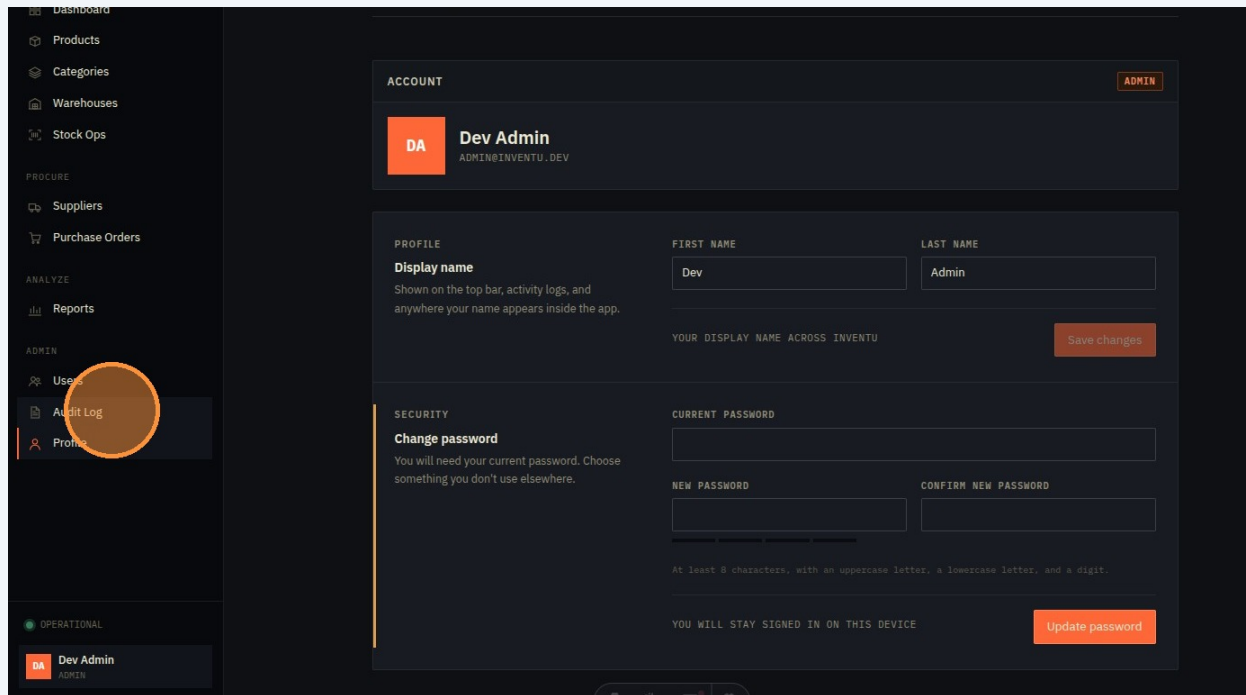

Major screens overview

52 Click "Profile"

Here you can change your personal info

53 Click "Audit Log"

 Here you can check all of the different actions and filter them as needed

54 Click "Users"

The screenshot shows a web application interface with a sidebar on the left and a main content area. The sidebar contains several sections: 'Dashboard', 'Products', 'Categories', 'Warehouses', 'Stock Ops', 'PROCURE' (with 'Suppliers' and 'Purchase Orders'), 'ANALYZE' (with 'Reports'), and 'ADMIN' (with 'Users', 'Audit Log', and 'Profile'). The 'Users' item in the ADMIN section is highlighted with an orange circle. The main content area is titled 'Audit log' and contains a table of system events. Above the table are filters for ENTITY, ACTION, CHANGED BY, FROM, and TO. The table has columns for TIMESTAMP, ENTITY, ENTITY ID, ACTION, and CHANGED BY. The data shows various actions like UPDATE, INSERT, and DELETE performed by 'Dev Admin' and 'System' on entities like StockItem, StockMovement, Product, and PurchaseOrderLine.

Audit log
Every insert, update, and delete on the core entities. Click a row to see the before / after diff.

Here you can manage all the users, including adding new ones or deleting old ones

55 Click "Purchase Orders"

In Purchase orders you can make orders from suppliers and mark them as partially or fully received.

56 Click "Suppliers"

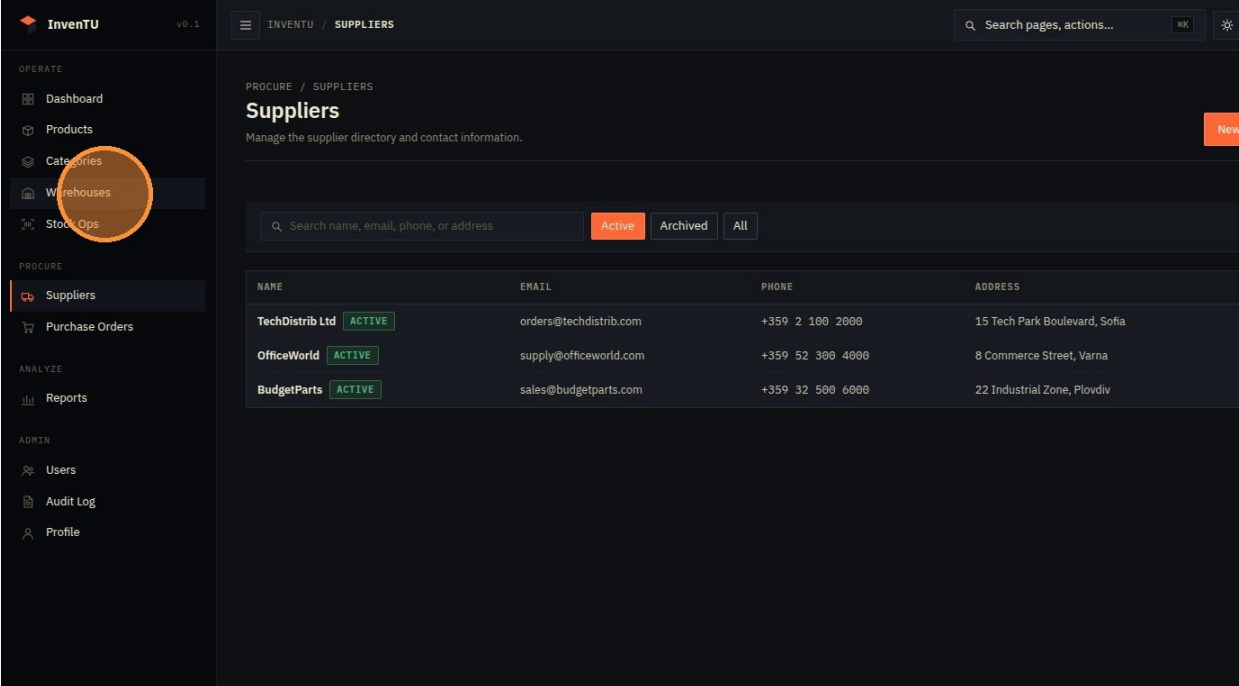

The screenshot shows the InvenTU web application interface. The left sidebar contains a navigation menu with sections: OPERATE (Dashboard, Products, Categories, Warehouses, Stock Ops), PROCURE (Suppliers, Purchase Orders), ANALYZE (Reports), and ADMIN (Users, Audit Log, Profile). The 'Suppliers' tab under the PROCURE section is highlighted with an orange circle. The main content area displays the 'Purchase orders' page, which includes a header with 'PROCURE / PURCHASE ORDERS', a subtitle 'Purchase orders', and a description 'Track inbound orders, filter by supplier and status, and advance them through their lifecycle.' Below this is a filter section with 'All suppliers' and 'All statuses' dropdowns, and two date range pickers. A table lists purchase orders with columns: SUPPLIER, STATUS, ORDER DATE, EXPECTED DATE, and CREATED BY. The table contains two rows: one for 'TechDistrib Ltd' with status 'RECEIVED' and one for 'OfficeWorld' with status 'DRAFT'. A 'Submit' button is visible next to the 'OfficeWorld' row. At the bottom of the table, it says 'PAGE 1 / 1 - 2 TOTAL' and a 'Previous' button.

SUPPLIER	STATUS	ORDER DATE	EXPECTED DATE	CREATED BY
TechDistrib Ltd	RECEIVED	1/10/2025	1/17/2025	admin@inventu.dev
OfficeWorld	DRAFT	1/20/2025	1/27/2025	admin@inventu.dev

In the Suppliers tab you can add or archive Suppliers

57 Click "Warehouses"

The screenshot shows the Inventu web application interface. On the left sidebar, the 'Warehouses' tab is highlighted with an orange circle. The main content area displays the 'Suppliers' page, which includes a search bar, filter buttons ('Active', 'Archived', 'All'), and a table of suppliers.

NAME	EMAIL	PHONE	ADDRESS
TechDistrib Ltd ACTIVE	orders@techdistrib.com	+359 2 100 2000	15 Tech Park Boulevard, Sofia
OfficeWorld ACTIVE	supply@officeworld.com	+359 52 300 4000	8 Commerce Street, Varna
BudgetParts ACTIVE	sales@budgetparts.com	+359 32 500 6000	22 Industrial Zone, Plovdiv

In the Warehouses tab you can add new warehouses, delete old ones and add new locations

58 Click "Categories"

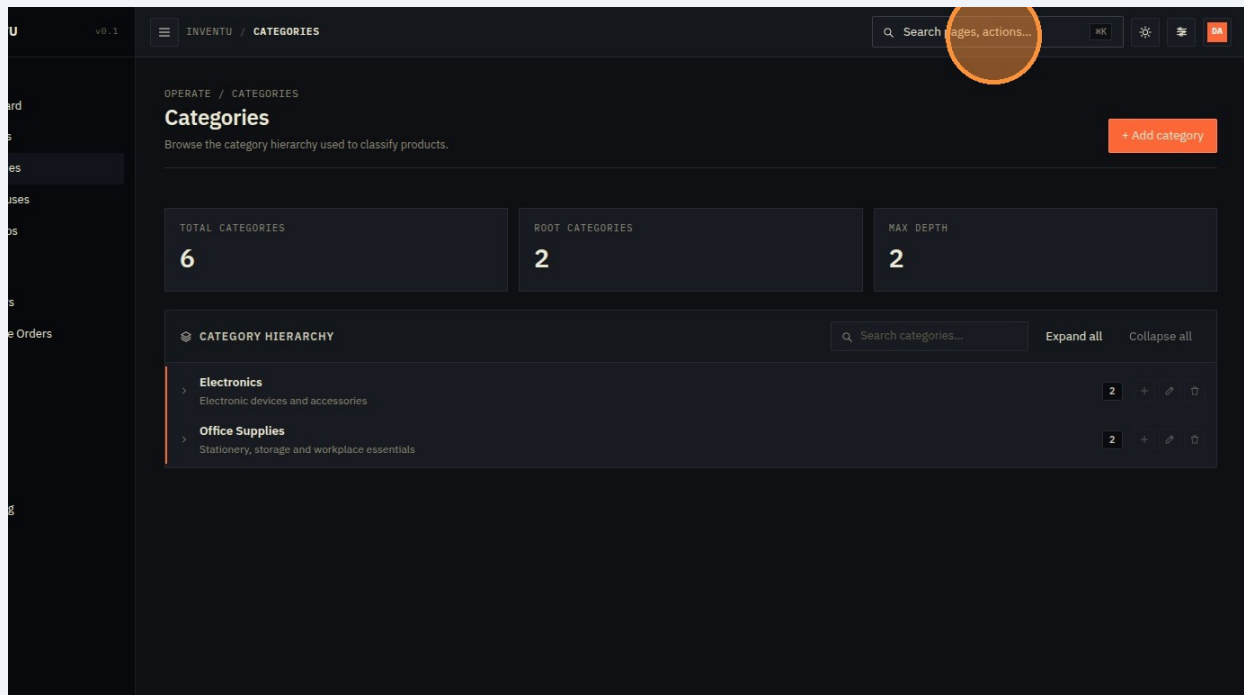

The screenshot shows the InventU application interface. The left sidebar contains a navigation menu with sections: OPERATE (Dashboard, Products, Categories, Warehouses, Stock Ops), PROCURE (Suppliers, Purchase Orders), ANALYZE (Reports), and ADMIN (Users, Audit Log, Profile). The 'Categories' item is highlighted with an orange circle. The main content area is titled 'Warehouses' and includes a search bar, filter buttons (All, Active, Inactive), and a table of warehouse data.
